PD03MHA

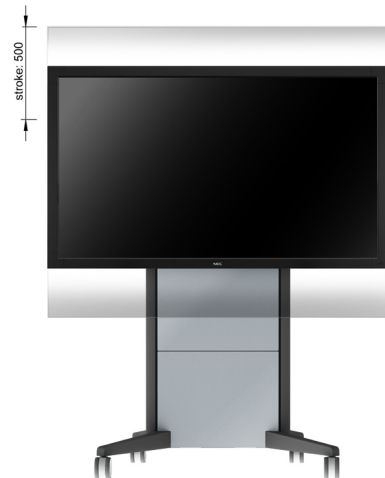

High-end mobile, motorised, height-adjustable Mount

High-End Mobile, Motorised, Height-Adjustable Mount for NEC Large Format Displays

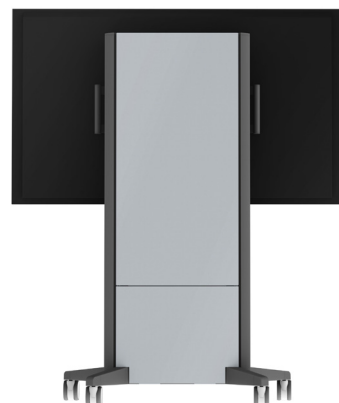

Automatic height-adjustable trolley for large format displays from 46" to 98" offering moveable and ergonomic interactivity for corporate and education, with focus on stability, mobility and flexibility. Elegant yet robust, the bracket prevents the display from shaking when touched. Electrical height-adjustment makes it easy to adjust the screen to different users.

Delivering Genuine Benefits

- Soft motorised height-adjustment, readily available from a button on the side of the unit
- Especially designed for usage with touch displays
- Professional cable management inside main body
- Storage space for equipment
- Easy to move (large handles as standard)
- Lockable 100mm casters enable safe and easy maneuverability over various flooring surfaces
- Highly preassembled to make installation quick and easy
- Converts from a trolley into a stand using the optional Cart Feet FT02
