

NEC MEETING AND COLLABORATION SOLUTIONS
43" C431 | 50" C501 | 55" C551 WITH MOSAIC CONNECT BOX

Start sharing instantly with NEC Mosaic Connect and allow your team to focus on what matters the most - getting back to business!

Wireless presentation for meeting rooms and huddle spaces

Up to 4 attendees can effortlessly share their screen, from laptop, smartphone or tablet. No more frustrating cables or swapping dongles; simply plug the Mosaic Connect Box into the C Series display and you're one-click from wireless presenting. A dedicated app for guests and extended browser support allows attendees to seamlessly connect and present.

Mosaic Connect Box features

- Easy integration with C Series Large Format Displays
- Supports dual network connectivity
- Enables collaboration across primary and guest networks
- Works securely with any network configuration including corporate/guest Wi-Fi, Wi-Fi, mobile data, or hotspot.
- Supports Windows, Android and iOS platforms

C Series features

- Professional Haze Filter
- 24/7 Operating Hours
- Up to 500 cd/m² Brightness
- Integrated Media Player
- Free NaViSet Administrator 2 Multi-Display Management Software
- Signal Input Detection
